If it is the intent of the Board of Supervisors to approve SE 2014-SU-031 located at 4180 Whitlow Place, Tax Map 44-2 ((23)) 22, for a home child care facility of up to twelve children and up to three assistants, pursuant to Sect. 6-105 of the Fairfax County Zoning Ordinance, the staff recommends that the Board condition the approval by requiring conformance with the following development conditions:

1. This Special Exception is granted for and runs with the land indicated in this application and is not transferable to other land.
2. This Special Exception is granted only for the home child care use indicated on the special exception plat approved with the application, as qualified by these development conditions.
3. Any plan or permit submitted pursuant to this special exception shall be in substantial conformance with the approved Special Exception Plat, consisting of an annotated copy, stamped as Final Approval, April 9, 2002, of the House Location Survey entitled "Lot 22, Phase 4, Rockland Village," prepared by Bowman Consulting Group, and these conditions. Minor modifications to the approved special exception may be permitted pursuant to Par. 4 of Sect. 9-004 of the Zoning Ordinance.
4. A copy of the special exception conditions shall be posted in a conspicuous place on the property and be made available to all departments of the County of Fairfax during the hours of operation of the permitted use.
5. Excluding the provider's own children, the maximum number of children on-site at any one time shall not exceed twelve.
6. The hours of operation for the home child care facility shall not exceed 7:00 a.m. to 6:00 p.m.
7. A maximum of three nonresident employees, whether paid or not for their services, may be involved in the home child care facility, with the hours of such attendance limited to 7:00 a.m. to 6:00 p.m.
8. The dwelling that contains the home child care facility shall be the primary residence of the provider.
9. The existing two-car garage shall not be converted to any use which would preclude the parking of vehicles, and shall be kept clear of debris at all times in order to accommodate parking for the dwelling and the home child care provider.

10. There shall be no signage associated with the home child care facility.
11. All outdoor play equipment shall conform to all applicable state regulations and standards.
12. In accordance with the Uniform Statewide Building Code, clearances of 30 inches will be maintained to the front and sides of the service panels for the water heater and furnace.
13. Such use shall be subject to the regulations of Chapter 30 of the Code of Title 63.2, Chapter 17 of the Code of Virginia.

The above proposed conditions are staff recommendations and do not reflect the position of the Board of Supervisors unless and until adopted by the Board.

This approval, contingent on the above noted conditions, shall not relieve the application from compliance with the provisions of any applicable ordinances, regulations, or adopted standards.

Pursuant to Sect. 9-015 of the Zoning Ordinance, this special exception shall automatically expire, without notice, thirty (30) months after the date of approval unless the use has been established as outlined above.
